School Book Scheme and Stationery Provision

Objective: This policy aims to outline the expectations for parents/guardians and students regarding the School Book Scheme and the provision of stationery packs by Moyle Park College, ensuring the proper care of school property and addressing responsibilities in cases of loss or damage.

Note: Schools are operating the School Book Scheme on a predefined and limited budget as determined by the Department of Education.

Note: It is important to note that the budget, as determined by the Department of Education, is subject to change annually and so we cannot guarantee the same provision year on year.

Book Scheme:

- The books provided under the book scheme remain the property of Moyle Park College at all times. These books are lent to students for the academic year and must be treated with care and respect.
- It is important to note that schools will continue to use books already in circulation and schools will also re-use the books purchased under this scheme.
- It is the responsibility of parents/guardians to ensure that students handle the books with care to facilitate their reuse by the school in subsequent years.
- Students are asked to take responsibility for their books which remain the property of the school. The school will not replace damaged/ stolen or lost books/ stationery. The cost of loss or damage to the books/ stationery will be borne by parents/ guardians.
- **Stationery Provision:**
- Moyle Park College will provide a standard stationery pack for all students, as outlined in Department of Education guidelines. This pack is intended to cover basic stationery needs for academic purposes.
- **Parents/guardians should be aware that the provided stationery pack may not fully cover the total stationery and equipment requirements for all subjects.**
- Additional stationery or specialised equipment required for specific subjects may need to be acquired separately by parents/guardians. This information will be available to parents in the book lists each year.
- Used and/or lost stationery is to be replenished/replaced by parents/guardians.

Responsibilities of Parents/Guardians:

- Parents/guardians are expected to support their child's education by ensuring they have the necessary materials for learning, including textbooks and stationery. This includes the safeguarding of books/equipment/stationery for the duration of Junior/Senior Cycle as per school policy.
- Regularly checking and monitoring the condition of books and stationery items provided to students is encouraged. Any issues should be promptly reported to the school.
- In cases of loss or damage to books or stationery, parents/guardians should notify the school immediately and arrange for replacement.
- Financial constraints should not hinder a student's access to education resources. Parents/guardians facing difficulties in meeting these obligations are encouraged to communicate with the school to explore available support options.

School Support:

- Moyle Park College acknowledges that unexpected circumstances may arise, and endeavours to work with parents/guardians to address any challenges related to the book scheme or stationery provision.
- The school will provide assistance and guidance as needed to ensure all students have access to the necessary resources for their education. However, **please note, *Schools are operating the School Book Scheme on a predefined and limited budget as determined by the Department of Education.***
